

APPENDIX 2: RESPONSE FORM

Principles for Managing Change

Q1. Should Inventory boundaries follow modern features, such as field boundaries?

Q2. Do you agree that these are the key principles for managing change?

Q3. Are there any others that need to be considered as well?

Q4. Is the emphasis correct?

Appendix 1: Proposed Amendments to the Development Management Procedure Regulations (DMPR)

Q5. What are your views on these (DMPR) proposals and which is your preferred option?

Q6. Do you think this is a reasonable approach?

Q7. If not, what alternative would you propose and why?

Environmental Report

Q8. Do you agree with the results of the environmental assessment and have the key issues associated with managing change in historic battlefields been identified?

Q9. Any other comments.
