Dear Sir or Madam

**The Historic Environment (Amendment) (Scotland) Act 2011
Consultation on Draft Regulations**

Historic Scotland has launched a public consultation on four draft Statutory Instruments which have been prepared under certain delegated powers in the Historic Environment (Amendment) (Scotland) Act 2011. These are as follows:

**The Ancient Monuments and Archaeological Areas
(Compensation) (Scotland) Regulations 2011**

**The Ancient Monuments and Archaeological Areas (Applications
for Scheduled Monument Consent) (Scotland) Regulations 2011**

**The Town and Country Planning (Listed Buildings) (Amount of
Fixed Penalty) (Scotland) Regulations 2011**

**The Town and Country Planning (Listed Buildings) (Prescribed
Form of Notices) Scotland Regulations 2011**

The consultation document is available to download from the following link:

www.historic-scotland.gov.uk/currentconsultations

It is Scottish Government policy to minimise the amount of material printed in hard copy but please contact Hannah Chadwick [hannah.chadwick@scotland.gsi.gov.uk] if you feel you need a printed copy.

The publication contains details of the consultation process and how to respond. A copy of the 'Respondent Information Form' is available on the Historic Scotland website, accompanying the other consultation documents. It is important that you complete and return this to us with your comments,

as it tells us how you want your response to be treated. You can email the form to us if you are responding on-line or post it to us along with your written comments. The consultation closes on **14 June 2011**.

If you have any queries please do not hesitate to contact me.

Yours faithfully

Dr Bill McQueen
