**Quarterly Risk Report: 2<sup>nd</sup> Quarter 2007-08**

**Purpose**

1. To inform HSB of the outcome of the quarterly review of the group and agency risk registers. The summary of amendments and high level risks are attached at Appendix A.

**Background**

2. The group risk registers are reviewed quarterly by the Directors and their management teams. These changes are reflected in the high level agency risk register. The annual refresh of group and agency risk registers will e carried out in the autumn.

3. I will discuss this report further at the meeting on 30<sup>th</sup> August.
