

Download instructions for Historic Scotland site locations into your Satellite Navigation System.

STEP 1: Select the relevant download Garmin, Navman or TomTom from our SatNav download area.

STEP 2: Select the 'Save' option.

STEP 3: Save the file on your hard drive.

STEP 4: The compressed zip file will contain the download, a logo and a Readme text file with instructions.

To upload the SatNav file from your computer to your GPS device, please consult your user manual from your manufacturer.
