Dear Ms. Murray,

**Consultation on the Implementation of the removal of the Duty of Planning Authorities to Notify Historic Scotland on Certain Types of Listed Building Consent Application**

Thank you for consulting English Heritage on the implementation of the removal of the duty of planning authorities to notify Historic Scotland on certain types of listed building consent application.

The existing listing building consent regimes and requirements for local authorities to notify certain applications vary between Scotland and England and we read the consultation document on the proposed changes with interest. We look forward to seeing the analysis report later this year and to learning of your decision.

Yours sincerely

Clare Campbell  
Historic Buildings Inspector
