Dear Jim

**Implementation of the Removal of the Duty of Planning Authorities to Notify
Historic Scotland on Certain Types of Listed Building Consent Application
(Con1158)**

Thank you for inviting our comments on this proposal.

Scottish Natural Heritage (SNH) is a non-departmental public body, funded by Scottish Government and responsible through Ministers to the Scottish Parliament. Our purposes are to promote the care and improvement, responsible enjoyment, greater understanding and appreciation, and sustainable use of the natural heritage.

However, as the implementation is concerned with procedural measures which will have minimal or no impact on the natural heritage, SNH has no comments to make.

Please feel free to contact James Fenton me at SNH's Inverness office (01463-725318, james.fenton@snh.gov.uk) if you have any questions about our response.

Yours sincerely
