

HISTORIC SCOTLAND BOARD

Paper Title: Risk Management Quarterly Report

Purpose

1. To advise the Board of the changes to the agency risk register as a result of the quarterly review carried out for the final quarter of 2006-07.

Background

2. The risk management process was reviewed and revised in 2005-06. The agency high level risk register is supported by group risk registers. These are reviewed on a quarterly basis by Directors. The amended register and a note of changes are reported to the Board.

Decisions/Actions required of Historic Scotland Board

3. The Board is invited to note the revised risk register and the quarterly report which are attached at Appendices A and B respectively.
