**The works of public art situated within the covered mall at the town centre are predominantly later than 1980 including a good selection of wall murals by Malcolm Robertson, Glenrothes' second Town Artist. A key early sculpture outside the bus station is 'Ex Terra' (1965) by Benno Schotz which was the first major piece of art in the town. The Dream and The Shoppers, also by Robertson, are nearby. Note there is little by the first Town Artist, David Harding, who concentrated his efforts in the residential areas of the town throughout the 1970s.**
